

Make your very own

VALENTINE'S DAY MAILBAG!

You will need:

- Scissors
- Thick paper
- Tape
- Printer

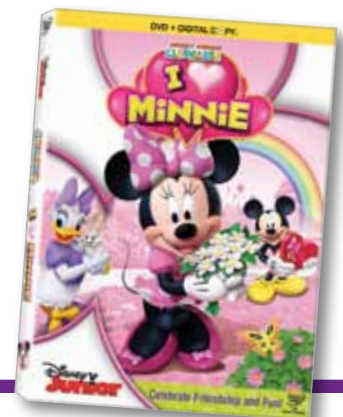

Directions:

1. Print template (next page) on thick paper.
2. Have an adult help you carefully cut out the shape along the dashed lines. Do not cut the solid lines!
3. To cut out handles, make a hole in the center, then cut to the edge with your scissors.
4. Fold along the solid lines to form a box.
5. Fold all of the solid purple flaps towards the inside and secure with tape.
6. Fill your new special mailbag with all your Valentine's cards.

Have fun sharing special wishes with the ones you love!
