# COME IN OR KEEP OUT DOOR HANGER

In *Walking With Dinosaurs: The 3D Movie*, Patchi is a courageous Pachyrhinosaurus who becomes the film's hero. His greatest enemy is the Dark Prince, a terrifying and cunning Gorgosaurus predator and the villain of the film. Show how much you know about and love dinosaurs with this door hanger. Ask an adult to help you cut along the dotted lines, then fold it in half and stick the blank sides together. When you hang it on your door handle, the Dark Prince will help you keep other dinosaurs out, while the curious and optimistic Patchi will let people know they can come in!
