

# WALK LIKE A DINOSAUR

Want to know what it was like to be a dinosaur in prehistoric times? Create special dinosaur feet and find out!

## You'll need:

- Two empty rectangular tissue boxes
- Craft styrofoam
- Glue
- Scissors
- Cardboard
- Green paint
- Foam brush
- Green, brown or black marker

## Instructions:

- 1 Use the duct tape to seal part of the tissue box openings so they're just large enough to slide your young dino's feet through.
- 2 Paint the tissue boxes and duct tape green.
- 3 Let dry.
- 4 Cut the white foam into 6 triangles, each triangle roughly 2 inches per side.
- 5 Glue 3 foam triangles onto the front of each tissue box, where the toe nails would be.
- 6 Use a marker to draw 3 toes on each tissue box.
- 7 Help your little one into his new costume, and watch as he goes
