- SUPPLIES:**
- Fine tip nail art brush (for acrylic paint)
  - Cup of water (to clean brush in between color changes)
  - Nail art dotter
  - Silver glitter nail art striper
  - Nail base color: **Medium Blue**
  - Acrylic paint colors for design: Light Blue, Dark Blue, Black & White

**INSTRUCTIONS:** Apply base coat and two coats of a Medium Blue nail polish.

### Character Face

1. Using white acrylic paint, create 2 circles for the eyeballs.
2. Using black acrylic paint, outline the entire rim of eyeballs.
3. Using light blue acrylic paint with nail dotter, create a dot in the top right area of each eyeball. With the same tool, create a smaller dot with black acrylic paint on the inside of the dot, creating the pupil of eyes.
4. Using black acrylic paint, create inverted arched eyebrows above eyeballs.
5. Using black acrylic paint, create glasses by drawing 2 circles around each eyeball.

### Character Symbol

1. Using dark blue acrylic paint, create a tear drop in the center of nail.
2. Using silver glitter nail art striper, draw a comma-like shape on the bottom right of tear drop.
3. Using silver glitter nail art striper, outline the whole tear drop.
4. Complete with top coat.
