

MEMORY CHIPMUNK

In **Alvin and the Chipmunks – The Road Chip**, the Chipmunks learn an unforgettable lesson about the importance of friendship and family. Centered on Alvin, Simon and Theodore and their best friends the Chipettes, this game puts your memory to the test. With the help of an adult, cut out the cards above and place them face down in random order. With a friend, take turns picking up and trying to find each card's match. If you don't find a pair, put both cards down. If you find a pair, keep both cards. The aim is to memorize where the matching pairs are, and the player with the most cards wins!
