Happy MARDI GRAS

MAKE A MARDI GRAS MASK

In *Alvin and the Chipmunks – The Road Chip*, the three chipmunks and their new friend Miles stop in New Orleans on their way to Miami. They decide to take part in the Mardi Gras festivities. Here is a template of a Carnival mask you can decorate however you like. Draw your own colorful designs and patterns on it, then with the help of an adult cut it out. Add colorful feathers, glitter and stickers to make your mask as spectacular as possible! The more creative and vibrant your mask is, the more you will stand out from the crowd. Once your mask is decorated, cut two small holes on either side of the mask and insert a rubber band in each of the holes to hold the mask to your head.
