REY'S PORTION BREAD // RECIPE

Like the blue milk Aunt Beru served in A New Hope, food is a comforting part of home life whether you're living on a moisture farm or forced to scavenge with the junk traders on Jakku. In Star Wars: The Force Awakens, Rey receives her portions and heads back home, where she adds liquid and, like magic, it instantly changes into bread.

Now you can recreate this magical meal by making your own version of Rey's Portion Bread in under a minute. Pour the ingredients into a cup, add liquid and heat, and just like that – you've got a fluffy, sweet, portable bread ready to take with you to the junkfields. Happy scavenging!

REY'S JAKKU PORTION BREAD

INGREDIENTS:

- 1/2 teaspoon vegetable oil
- 4 tablespoons cake flour
- 1-1/2 tablespoons sugar
- 1/2 teaspoon matcha powder
- 1/4 teaspoon baking powder
- pinch of salt
- 2 tablespoons whole milk
- 1/4 teaspoon vanilla extract

DIRECTIONS:

1. Place the oil in a mug and swirl around to grease the inside.
2. Add the cake flour, sugar, matcha, baking powder and salt into the mug, stirring together.
3. Pour in the milk and vanilla, then cook in the microwave on high for 45 seconds.
4. Let cool slightly and serve.

Not so hard – just be on the lookout for Unkar Plutt's thugs.
