## FIND IT, FLIP IT, MATCH IT!

### INSTRUCTIONS

- Print **2 copies** of the character cards on cardstock
- Turn pages over and print **2 copies** of the solid green side
- Cut out the cards along dashed lines

### CONTENTS

32 game cards

### OBJECT

Be the player with the most matches once all of the cards have been turned over.

### SETUP

Shuffle the cards and lay them down on a flat surface.

### PLAY

The youngest player goes first. Players take turns turning over 2 cards at a time. The cards must be turned over completely so that all players can see them. A player makes a "match" if the two cards turned over are identical. When a "match" is made, the player puts the pair of cards beside them. The player's turn continues until they do not make a "match."

If 2 cards turned over are not identical, cards are turned back over in the same place, and the player's turn ends.

Try to remember all of the cards that have been turned over!

### TO WIN

Once all cards have been collected, the player with the most matches wins!
