EVERYTHING IS NOT AS IT SEEMS

A mission has taken Lisa and Sean to an intergalactic theme park called Chilla World. The visit is definitely not all fun and games. The siblings must navigate the game booth area to determine what's different about the space and they need your help. Look for differences between the two pictures below to help figure out if Chilla World is actually "The Happiest Planet in the Galaxy" or something else entirely.

- 1. Trees in the background
- 2. Chilla eyes
- 3. Prizes on the right
- 4. Yellow wall on left
- 5. Character shadows
- 6. Sean's shirt

DEAR MOM, I NEED SPACE...

MY
DAD
THE BOUNTY HUNTER

Lisa and Sean won't make it home in time for dinner but they can't let their mom in on their intergalactic mission. They need your help writing a note to send her way that won't put the mission in jeopardy should it fall into the wrong hands. Fill in the below blanks with wacky words to help disguise Lisa and Sean's text. Don't forget to give it a read afterwards to confirm it's perfectly wonky!

Hey Mom,

It's Lisa and Sean! We realize it's _____ late.
We are unfortunately going to miss dinner. We are just on a bit
of a _____ adventure with Dad. Don't worry - we had
some snacks including some new discoveries: _____

-flavored chips and _____-flavored smoothies so
we aren't hungry anyway. We know we have homework to finish.

Luckily the homework is on our favorite subjects _____
and _____ so it shouldn't take too long. We tried to
work on it earlier but we lost our only pencil and tried to
use a _____ but it just didn't work
as well. Promise we will launch into our work as soon
as we get home. Have a good dinner - hope we didn't
miss the best _____ in the galaxy!

No one makes it as _____ as you.

Love,

Lisa and Sean

MISSION: LASER MAZE

Bounty Hunting requires physical skill as targets typically do not give up easily. This mission is no different as Dad, Lisa and Sean try to dodge lasers from an alien fugitive. Follow the instructions below to set up a DIY laser maze to help the family. Be careful not to make contact with a laser!

SUPPLIES

- Tape
- Scissors
- Crepe Paper Rolls (in various colors)

INSTRUCTIONS *Hallways work best!

1. With an adult's help, cut and tape Crepe Paper across walls at various heights and in opposing diagonal directions (zig zag pattern)
2. Work your way down the hallway or room
3. Don't leave too much space toward the floor (less crawl space = more difficult/fun)
4. Navigate between the Crepe Paper "lasers"!
