

# FORGE YOUR DESTINY

Create your sword and take it with you on your next adventure

## MATERIALS

Cardboard tube  
Aluminum foil  
Scissors  
Hot glue gun  
Decorations such as stickers and gems (optional)

## DIRECTIONS

1. Flatten one end of the cardboard tube and make it pointy.
2. To make the hilt, cut a hole in a strip of cardboard.
3. Slot the end of the cardboard tube through the strip.
4. Bend the strip and glue it to the bottom of the cardboard tube.
5. Wrap the "blade" with aluminum foil.
6. Decorate to make it your own!
